Circumstances in which the property of one person declared as evacuee has not as yet been taken into possession may be stated. The possession of the property of the remaining one person as also of the remaining 4 persons out of the 64 persons referred to in para.3 of the last Report may please be taken early under intimation to this office.

4. Cash Book Form 25:- The cash book is not maintained properly. The amounts shown as received in Receipt Columns should have been noted on the payment ~~of~~ made whenever the amounts received were remitted into Treasury. Unless this is done, the balancing of the transactions cannot be made. The receipt books were not produced and hence the receipts shown in the cash book could not be checked by reference to the counterfoils of the Receipts. This should be produced at the next audit. It is stated that the village officers recover rent and credit it directly into treasury, no receipt has however been xxm shown in form 8 as required by Rule 26(2).

5. Form No.24 Demand and Collection Register for Agricultural property:-
